Madam/ Sir,

Subject: BHEL India seeks responses against Expression of Interest (EoI) for technology tie-up for Air Defence Gun (ADG) and/or Electro Optical Fire Control System (EOFCS) and/or Ammunition

Season's best greetings from Bharat Heavy Electricals Limited (BHEL) India!

BHEL is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of Indian economy viz. energy, transportation, heavy engineering industry, defense, renewable and non-conventional energy.

BHEL is seeking a technology partner for Air Defence Gun (ADG) and/or Electro Optical Fire Control System (EOFCS) and/or Ammunition under a long term Technology Collaboration Agreement. In this regard, BHEL has floated an Expression of Interest (EoI) seeking responses from prospective collaborators who are meeting the requirements of the EoI and are willing to be associated with BHEL through a Technology Collaboration Agreement for Air Defence Gun (ADG) and/or Electro Optical Fire Control System (EOFCS) and/or Ammunition.

We have uploaded the EoI document at BHEL website (www.bhel.com) and the same is also available through the following link:

<https://bhel.com/expression-interest-eoi-selection-partner-long-term-technology-collaboration-agreement-tca-air>

We seek your kind support in further circulation of the attached EoI document in your country of operation to the technology owning companies engaged in this area, so that BHEL can receive a wider response.

Thanking you,

Yours sincerely,

Rajesh Kohli
